

HIGHLANDS RANCH
VETERANS MONUMENT

Civic Green Park & Highlands Ranch Library Will Be Home to Highlands Ranch Veterans Monument

Building a Monument to Those Who Have Served

A dedicated group of community volunteers, led by Jeff Alvis, and supported by the Highlands Ranch Park & Recreation Foundation, the Metro District and the Highlands Ranch Library, has launched a fundraising campaign for the Highlands Ranch Veterans Monument, to be built near the library entrance in Civic Green Park.

The Veterans Monument will be a solemn place to pay tribute to veterans who have served and who have given their lives for our nation, and to honor those who are serving our nation today. Please join us in recognizing the veterans and active military men and women who make sacrifices for the good of our nation every day.

Personal Contributions and Dedication Tiles

The monument will feature special areas where Dedication Tiles may be purchased to recognize veterans who have served our nation, or military men and women who serve today. Dedication Tiles are tax deductible*, and are available in two sizes:

- 4 inch x 8 inch personalized Dedication Tiles are \$200*
- 8 inch x 8 inch personalized Dedication Tiles are \$500*, and are available in a limited quantity.

If you would like to make a tax deductible personal donation, you may contribute online at www.hrvets.org, or mail a check to the address noted below.

Thank you for helping make the Highlands Ranch Veterans Monument a reality!

The Highlands Ranch Veterans Monument is envisioned to be a place where members of our community can show their appreciation by recognizing those who have served in the United States Armed Forces. The monument provides an opportunity for veterans, families, friends and colleagues to recognize anyone who served our country by purchasing a Dedication Tile that will be placed at the site. Since the tiles have a limited amount of space to recognize one's military achievements, an optional Web-based biography of up to 200 words is offered for each veteran recognized at the monument.

The monument will cost approximately \$200,000 to build, and will be paid for entirely by private funding sources such as donations, grants, sponsorships and Dedication Tiles. It will be built when the majority of the required funds have been secured. Once the Dedication Wall is built, the Dedication Tiles will be installed.

Tiles are available in two sizes: A four inch x eight inch tile, which provides three lines for the veteran's name, rank/rating, branch, years of service, POW, MIA or KIA designation, location served. An eight inch x eight inch tile is also available in limited quantities. This tile allows up to five lines with more information about the veteran. If you would like to recognize a veteran by presenting a keepsake to them, or other family members, additional Gift Tiles can be purchased. Those purchasing Dedication Tiles can follow the monument's fundraising and construction progress by visiting www.hrvets.org.
